

Dear CRTOS members and prospective new members,

January, 2024

CRTOS presented six silent film productions at the Hollywood theater in 2023, many to packed houses. Our next season, 2024, will be equally exciting and interesting. We continue to improve the Hollywood mighty Wurlitzer organ and will have other interesting theater organ events in other venues, like with the Cleveland high school Kimball pipe organ. As a member of CRTOS, you will be informed of these new events and be invited to our annual summer picnic and winter party.

It's time to renew your annual membership, or to become a new supporting member. Lifetime memberships are also available (lifetime members need not renew, of course). Your membership assists CRTOS in many ways. We have recurring expenses such as liability insurance, IRS and state tax filings, Oregon state business expenses, website maintenance fees and other incidentals to cover even before we play a note of music or present a frame of film.

And as always, any additional support will be gratefully accepted. Either mail back the form below with your check, or go to the Columbia River website to renew and/or donate online at:
